1. Introduction

At Wirral Metropolitan College we believe that:

- 1.2 Nobody at College should have to suffer harassment or bullying from any other member of the College community
- 1.3 Bullying will be treated as a disciplinary matter
- 1.4 Victims have the right to take actions and be supported to stop bullying to which they are subjected.

2. Definition of Bullying/Harassment

- 2.1 Bullying is behaviour, usually repeated over time, which intentionally hurts another individual or group, physically or emotionally. One person or a group can bully others. Bullying and harassment takes many forms. Some people may not realise their behaviour is offensive, and think they are ‘only teasing’.
- 2.2 *Bullying may include:* name calling; taunting; mocking; making offensive comments; kicking; hitting; pushing; taking belongings; inappropriate touching; producing offensive graffiti; spreading hurtful and untruthful rumours; or always leaving someone out of groups. It is also bullying when a student is pressured to act against their will by others.
- 2.3 *Harassment may include:* unwanted conduct which violates a person’s dignity or creates an intimidating, hostile, degrading or humiliating environment.
- 2.4 *Cyber bullying may include:* sending inappropriate or hurtful text messages, emails, instant messages, or posting malicious material online through social networking sites, or sending or posting offensive or degrading images and videos.

3. Steps taken to prevent Bullying and Harassment

- 3.5 We will work with any student who has been a victim of bullying to help them build/re-build their confidence.
- 3.6 We will work with any student who bullies to help them change their behaviour.
- 3.7 We will put in place sanctions to be used as appropriate in relation to the College’s Student Code of Conduct.

4. What will happen if a student reports bullying to college staff?

- 4.1 We will listen respectfully to the student
- 4.2 We will take steps to stop the bullying with the student's permission.
- 4.3 We will meet with the perpetrator/s and try to resolve the problem.
- 4.4 We will not humiliate or put at risk any student that reports bullying or make it known that they have done so outside of the due processes of resolving the matter.

- 4.6 We will monitor and follow up incidents to ensure bullying has stopped.
